Whereas, human trafficking is a form of modern slavery that occurs in every state, including Maryland. The Maryland Human Trafficking Task Force is the State's primary organization that works to prevent trafficking, protect victims by providing them with the services they need, prosecute traffickers, and partner with a variety of organizations to eradicate the scourge of human trafficking from our communities.

Whereas, human trafficking is the exploitation of an individual for financial gain through forced labor or commercial sex. Between 14,500 and 17,500 individuals are trafficked into the United States each year. Nationally, an estimated 4,457 to 20,995 youth ages 13-17 are involved in the U.S. sex industry. In Maryland, there were over 440 cases of child sex trafficking reported to local Departments of Social Services between July 2013 and July 2018. These reports involved over 375 alleged

minor victims, the majority of whom were Maryland residents between the ages of 14-17 years old.

Whereas, youth who identify as LGBTQ may be additionally vulnerable to trafficking due to lack of social supports, familial rejection, or both. According to the National Center for Missing and Exploited Children, 74% of the children trafficked came from the foster care or social services system when they ran away and were lured into sex trafficking.

Whereas, in Maryland, of the cases reported to the National Human Trafficking Hotline in 2017, the top two venues for sex trafficking were hotels and motels as well as illicit massage and spa businesses. Trafficked individuals have very few opportunities to be alone and away from their traffickers. Those locations are generally, hotel bathrooms, corner stores and groceries, lunch breaks from construction sites. Strategically locating trafficking hotlines in locations that are accessible for the trafficked individual and away from their trafficker means that these individuals have access to the national hotline and can make a call for help. This legislation seeks to address this issue.

Now, Therefore,
