Introduced by: Councilmember Burnett and Councilmember Clarke

A Resolution Entitled

A Council Resolution concerning

An Equitable Approach to Tax Sales During the COVID-19 Crisis

For the purpose of calling on the Mayor to adopt the recommendations of the Baltimore City Tax Sale Workgroup in order to pursue an equitable response to the COVID-19 crisis.

Recitals

On May 29, 2020, the Baltimore City Tax Sale Workgroup, a coalition of over 40 nonprofits, community developers, legal service organizations, churches, and others, sent a letter to the Mayor making 4 recommendations for how the City can make an equitable response to the COVID-19 crisis with respect to tax sales.

The recommendations include:

- delaying the scheduled July 20, 2020 tax sale auction for at least 90 days after the State of

Emergency has been lifted in Baltimore;

- removing vulnerable residents from the tax sale;
- allowing citizens who are delinquent to enter into payment plans to remove themselves from the tax sale list if they remain current with their payments; and
- increasing awareness of tax credits for homeowners and low-income households.

City government should do everything we can to assist families in this of great economic need. The recommendations of the Tax Sale Workgroup are common sense, reasonable approaches that our City should be adopting in order to keep a roof over the heads of our families. Now is not the time to make things worse for families by rendering them homeless.

Now, therefore, be it resolved by the City Council of Baltimore, That the City Council calls on the Mayor to adopt the recommendations of the Baltimore City Tax Sale Workgroup in order to pursue an equitable response to the COVID-19 crisis.

And be it further resolved, That a copy of this Resolution be sent to the Mayor, the Director of Finance, the Comptroller, and the Mayor's Legislative Liaison to the City Council.
