Whereas, the COVID-19 pandemic is a serious health crisis in our City, State, and Nation;

Whereas, the Mayor's Office of Homeless Services has housed over 500 of our neighbors experiencing homelessness in local hotels to allow some to recover from COVID as well as to protect others from COVID;

Whereas, many more of our neighbors experiencing homelessness need protection from the ongoing crisis and need access to stable housing;

Whereas, the Federal Emergency Management Agency (FEMA) may reimburse cities for temporary hotel stays for our neighbors experiencing homelessness now and throughout the health crisis; an

Whereas, there is interest for the public and the City Council to be briefed on the plan for our neighbors experiencing homelessness both in hotels and in encampments to be stably housed.
