ANY MEMBER WHO DOES NOT MEET THE ELIGIBILITY REQUIREMENTS OF THIS § 36B, EFFECTIVE JULY 1, 2006, WILL BE COVERED BY THE PROVISIONS OF § 36C OF THIS SUBTITLE.

(ii) Any active employee who becomes a member of this system on or after July 1, 2003, and who, in addition to having acquired at least 20 years of service, has acquired at least 10 years of service as a contributing member of this system AS OF JUNE 30, 2006, is eligible to participate in the DROP by making an election in the manner prescribed in paragraph (iii) of this subsection.

(c) Status of DROP participants.

(1) During DROP participation period.

(A) Notwithstanding any other provision of this subtitle to the contrary, a member shall remain a member of the Retirement System during the DROP participation period, provided, however, that the member shall not be credited with service during such period, and that, except with regard to the calculation of a member's intermediate DROP retirement benefit under subsection (f)(2), compensation, pay or salary earned during that period shall be disregarded in calculating the member's average final compensation.

(B) A member who becomes a participant in the DROP shall continue to make the contributions that are required under § 36(h) of this subtitle for members earning service credit. These contributions shall be accumulated in a subaccount within the Annuity Savings [Fund] RESERVE, but shall be credited with interest compounded annually in the same manner and at the same interest rate as though the contributions had been accumulated in the member's DROP account as provided under subsection (d). Contributions that are required under § 36(h) of this subtitle of any member entitled to protection of retirement benefits and credits on account of military service under § 32(e) of this subtitle, shall be paid by the system into the member's subaccount on his or her behalf for the duration of his or her absence from employment on account of military service.

(C) The contributions described in the preceding paragraph shall be treated as being "picked up" by the City of Baltimore within the meaning of § 414(h)(2) of the Internal Revenue Code of 1986, as amended. The contributions described in the preceding paragraph shall not be considered "accumulated contributions", as defined in § 30(10) of this subtitle.

(2) After DROP participation period.

(A) Any member who becomes a participant in the DROP may retire or terminate service, and thereby discontinue participation in the DROP, at any time during the DROP participation period or may retire or terminate service at the conclusion of that period.

(B) A member may elect to discontinue participation in the DROP and resume earning service credit in the system only as of the 1st or 2nd anniversary of the effective date of the member's DROP participation period.

(C) The election to discontinue participation shall be made on forms provided for that purpose by the Board of

Trustees and shall be filed with the Board no less than 30 days AND NO MORE THAN 90 DAYS before the effective date of the discontinuance of participation.

(D) THE ADDITIONAL ACCRUAL RATE PROVIDED BY § 36B(F)(2) OR § 36B(G)(2) SHALL ONLY BE APPLIED TO THE MEMBER'S COMPLETED YEARS OF DROP PARTICIPATION.

(E) A member who continues employment at the conclusion of a full, 3-year DROP participation period shall resume earning service credit in the system.

Notwithstanding § 34(b) of this subtitle, any member who retires during or at the conclusion of a DROP participation period shall receive "a basic DROP retirement benefit" equal to:

- (2) the balance in the member's DROP account at the time of retirement, payable pursuant to the member's election under subsection (n) of this section; and
- (3) the balance in the member's Annuity Savings [Fund] RESERVE subaccount accumulated under subsection (c) of this section, payable pursuant to the member's election under subsection (n) of this section.

(h) Non-line-of-duty disability benefit.

Notwithstanding § 34(d) of this subtitle, any member who retires on account of non-line-of-duty disability:

(i) Line-of-duty disability benefit.

Any member who retires on account of line-of-duty disability under [§ 34(f)] § 34(E-1) OR (F-1) of this subtitle during or after a DROP participation period shall receive the line-of-duty disability benefits provided under [§ 34(f)] § 34(E-1) OR (F-1) in place of any DROP benefits provided by this § 36B (including any balance in the member's DROP account and Annuity Savings [Fund] RESERVE subaccount), as though the member had never participated in the DROP.

(j) Non-line-of-duty death benefit.

Notwithstanding § 34(h) of this subtitle, the non-line-of-duty death benefit payable on the death of a member who dies during or after a DROP participation period shall equal the non-line-of-duty death benefit provided in § 34(h), plus the balance of the member's DROP account and Annuity Savings [Fund] RESERVE subaccount at the time of death, subject to the following:

(A) the ordinary death benefit payable on the death of a member under subsection (j) of this section; or

(B) the line-of-duty death benefit payable under § 34(i) in lieu of any DROP benefits provided by this Section, including any balance in the member's DROP account and [annuity savings fund] ANNUITY SAVINGS RESERVE subaccount, as though the member had never participated in the DROP.

(2) However, if a member resumes earning service credit following the conclusion of a DROP participation period, then the DROP participation period shall not be counted toward the eligibility requirement for post-retirement increases.

(3) Post-retirement benefit increases for former DROP participants shall be applied prospectively only (i.e., no increase shall be provided to make up for any post-retirement benefit increases that the member would have received if the member had retired from service in lieu of electing to participate in the DROP).

(4) If a member elects under subsection (n) to receive the balance of his or her DROP account in the form of periodic payments, those payments shall be eligible for post-retirement benefit increases under [§ 36A] § 36A-1 OR § 36A-2, AS APPLICABLE, upon satisfaction by the member of the eligibility requirements of [§ 36A(a), as modified by this subsection (m)] § 36A-1(A) OR § 36A-2, AS APPLICABLE.

However, a member may elect to receive the actuarial equivalent of that balance in the same form of periodic payments in which the member has elected to receive the remainder of his or her retirement benefit; and upon the retired member's death, the DROP account and the Annuity Savings Fund subaccount shall be paid in the same manner as the member's Annuity Savings Fund account.]

(1) The election of the form of payment of the MEMBER'S DROP account balance shall be made on forms provided by the Board of Trustees and shall be filed with the Board.
