[In addition, for any member who terminates employment with the City on or before June 28, 1993, the Primary Social Security Benefit will be calculated on the assumption that the member would have no earnings after the calendar year prior to the year of retirement under this § 9(f)(3), notwithstanding the provisions of § 9(f)(1)(ii) or any other provisions of this subtitle which provides for the use of level future earnings.]

Effective December 2, 1991, in applying the preemployment military credit provision of § 32(f) to a member described in the above paragraph, the requirement that the member shall have attained age 50 shall be disregarded.
