Recitals

The Urban Renewal Plan for Carroll Camden was originally approved by the Mayor and City Council of Baltimore by Ordinance 02-296 and last amended by Ordinance 09-253.

An amendment to the Urban Renewal Plan for Carroll Camden is necessary to revise the specific disposition lot controls for those disposition lots identified on Exhibit 2 of the Plan, to repeal a requirement that an easement be provided for the Gwynns Falls Trail in Disposition Lots 1 and 2, and to amend Appendix A to provide that the design and rehabilitation standards are applicable to all new construction.

Under Article 13, § 2-6 of the Baltimore City Code, no change may be made in any approved renewal plan unless the change is approved in the same manner as that required for the approval of a renewal plan.

This proposed amendment to the Renewal Plan for Carroll Camden has been approved by the Director of the Department of Planning for conformity to the Master Plan, for the detailed location of any public improvements proposed in the amended Urban Renewal Plan, and for conformity to existing and proposed zoning classifications. The proposed amendment also has been approved and recommended to the Mayor and City Council of Baltimore by the Commissioner of the Department of Housing and Community Development.

SECTION 4.
