 - a. furnishes or causes to be furnished any labor, supervision, equipment, or materials, or
 - b. performs or causes to be performed any inspection, work, or operation to eliminate the hazard or condition or to remove the structure or other object.

118.2 Liability and lien for expenses. In the cases described in § 118.1, the entire amount of the Building Official's expenditures and of the expenditures incurred by any department, agency, unit, or body corporate and politic of this State, including the Maryland Stadium Authority, together with all incidental costs and all accrued penalties:

1. are a personal debt owed to the City jointly and severally by every person made liable under this Code, and
2. are a lien in favor of the City on the land and improvements in respect to which the expenditures were made.

118.3 When debts and liens become effective. All debts become due and owing to the City immediately when the work is completed or the expenditure made. All liens become effective immediately after the Building Official notifies the Bureau of Liens that appropriate notice has been given or that a structure has been posted in accordance with this Code.

118.5 Priority over other liens and encumbrances. All debts and liens incurred under this § 118 have priority over all other liens and encumbrances, except taxes or other government assessments.
