Article II - General Powers  
Section (62)  
Baltimore City Charter  
(1996 Edition)

### **Recitals**

The Tax Increment Financing Act, Article II, Section (62) of the Baltimore City Charter (the “Tax Increment Financing Act”), authorizes the Mayor and City Council of Baltimore (the “City”) to establish a “development district” (as defined in the Tax Increment Financing Act) and a special, tax increment fund into which the revenues and receipts from the real property taxes representing the levy on the “tax increment” (as defined in the Tax Increment Financing Act) for the development district are deposited for the purpose of providing funds for the development of the development district.

The Tax Increment Financing Act also authorizes the City, subject to certain requirements, to

borrow money by issuing and selling Bonds (defined herein) for the purpose of financing and refinancing the development of an industrial, commercial, or residential area in Baltimore City. The Tax Increment Financing Act provides, however, that no Bonds may be issued by the City until an ordinance is enacted that (i) designates an area or areas within the City as a “development district” and (ii) provides that, until the Bonds have been fully paid, the property taxes on real property within the development district shall be allocated as provided in the Tax Increment Financing Act.

The Tax Increment Financing Act also authorizes the City, subject to certain requirements, to use the tax increment revenues to pay or reimburse the City for debt service which the City is obligated to pay or has paid (whether such obligation is general or limited) on Bonds or, under a Contribution Agreement, to a State Issuer (defined herein) for the payment of principal of and interest on applicable State Obligations (defined herein) for the purpose of providing funds for the development of the development district.

The City wishes to establish a development district within Baltimore City and to establish a special, tax increment fund for that development district for the purpose of providing funds for the costs of the infrastructure improvements and related costs permitted by the Tax Increment Financing Act, including, without limitation, the costs of the Project (defined herein) and other related infrastructure improvements.

**Section 5. And be it further ordained,** That:

- (a) For each tax year that begins after the effective date of this Ordinance, the Director of Finance shall divide the property taxes on real property within the Development District so that:
  - (1) the portion of the taxes that would be produced by the rate at which taxes are levied each year by the City upon the original taxable value shall be allocated to and, when collected, paid into the funds of the City in the same manner as taxes levied and collected by the City on all other property are paid; and
  - (2) the portion of the taxes representing the levy on the Tax Increment that would normally be paid to the City shall be paid into the Tax Increment Fund, to be applied in accordance with the provisions of this Ordinance, the Bond Ordinance, the Tax Increment Financing Act, and any applicable Indenture or Contribution Agreement.
- (b) The City acknowledges that neither the rate at which taxes are levied on real property within the Development District nor the manner of assessment of the value of real property within the Development District may vary from the rate or manner of assessment that otherwise would have

applied if the Development District were not designated and the Tax Increment Fund not created.

**Section 6. And be it further ordained, That:**

- (a) If no Bonds or State Obligations are outstanding with respect to the Development District, money in the Tax Increment Fund may be:
  - (1) used for any other purposes described in the Tax Increment Financing Act, including the payment or reimbursement of costs of the Project;

- (b) In the case of Sections 6(a)(2) and (a)(3) above, the use must be approved by appropriate action of the Mayor and City Council, and in the case of Sections 6(a)(1) and (a)(4) above, the use must be approved by the appropriate action of the Board of Finance, which action may generally specify the purpose for which the Tax Increment Fund may be used and the maximum amount that may be applied for that purpose, without specifying the actual amounts to be applied.

**Section 7. And be it further ordained, That:**

- (a) If any Bonds or State Obligations are outstanding with respect to the Development District, money in the Tax Increment Fund may be used in any fiscal year as provided in Section 6 of this Ordinance and in any Indenture authorizing the issuance of such Bonds or State Obligations, but only to the extent that:
  - (1) the amount in the Tax Increment Fund exceeds the debt service payable on such Bonds, the amounts payable under any Contribution Agreement, and the amounts necessary to replenish any reserve fund or funds established for Bonds or, if required by a Contribution Agreement, any State Obligations and to pay any City Expenses, State Issuer Expenses (if required by such Contribution Agreement), and administrative costs in that fiscal year, and is not otherwise restricted so as to prohibit its use; and
  - (2) the use is not prohibited by the ordinance authorizing the issuance of the Bonds or State Obligations or the pledge of amounts on deposit in the Tax Increment Fund to the payment of principal of and interest on the Bonds or to the payment of obligations under a Contribution Agreement to provide for the payment by a State Issuer of the principal of and interest on the State Obligations.
- (b) In each case, the use must be approved by appropriate action of the Board of Finance, which action may generally specify the purpose for which the Tax Increment Fund may be used and the maximum amount that may be applied for that purpose, without specifying the actual amounts to be

applied.

**Section 8. And be it further ordained,** That the Director of Finance may do all acts and things and execute all documents and certificates relating to the Development District and the Tax Increment Fund.

**Section 9. And be it further ordained,** That any approvals, authorizations, or activities provided in this Ordinance do not constitute and may not be deemed to constitute or imply that the City Council, the Mayor, or any department, office or agency of the City has given or will give, any approval, authorization, or consent to any action or activity within or required for the development of the Development District, including any land use approval, requirements for the provision of public utilities or services, or any other administrative, judicial, quasi-judicial, or legislative approval, authorization, consent, or any necessary amendments to underlying zoning laws and maps, urban renewal plans, Planned Unit Developments or Master Plans required to develop the Project.

**Section 10. And be it further ordained,** That this Ordinance may be amended by a subsequent ordinance of the Mayor and City Council of Baltimore, which ordinance may enlarge or reduce the size of the Development District. However, no ordinance may be effective to reduce the size of the Development District so long as there are any outstanding Bonds secured by the Tax Increment Fund or City payment obligations pursuant to a Contribution Agreement to provide for the payment by the State Issuer of the principal of and interest on the applicable State Obligations, respectively, unless the ordinance authorizing the issuance of the Bonds or State Obligations permits the City to reduce the area constituting the Development District, the holders of such Bonds or State Obligations or an authorized representative on their behalf consents to the reduction, or the indenture authorizing such Bonds or State Obligations permits the reduction.

**Section 11. And be it further ordained,** That the provisions of this Ordinance are severable. If any provision, sentence, clause, section, or other part of this Ordinance is held or determined to be illegal, invalid, unconstitutional, or inapplicable to any person or circumstances, that illegality, invalidity, unconstitutionality, or inapplicability does not affect or impair any of the remaining provisions, sentences, clauses, sections, or parts of this Ordinance or their application to other persons or circumstances. It is the intent of the Mayor and City Council that this Ordinance would have been passed even if the illegal, invalid, unconstitutional, or inapplicable provision, sentence, clause, section, or other part had not been included in this Ordinance, and as if the person or circumstances to which this Ordinance or part are inapplicable had been specifically exempted.

**Section 12. And be it further ordained,** That this Ordinance takes effect on the date it is enacted.
