Introductory*

City of Baltimore Council Bill R (Resolution)

Introduced by: Councilmember Stokes

A Resolution Entitled

A Council Resolution concerning
Department of General Services Update on Sanitizing City-Owned Buildings

For the purpose of requesting that the Department of General Services provide the City Council with an update on how employees of DGS have been keeping City-owned buildings clean during the COVID-19 pandemic and post information about cleaning schedules in these buildings.

Recitals

Whereas, Baltimore City residents and employees are in danger of getting very ill or dying from COVID-19;

Whereas, One way to prevent the spread of the virus is to frequently sanitize areas used by the general public as well as work spaces;

Whereas, The Department of General Services (“DGS”) provides custodial staff and building security services for City-owned buildings; and

Whereas, The City Council is interested in learning how often DGS employees are cleaning City-owned buildings, what cleaning agents DGS employees are using to clean the buildings, and what, if any, other changes DGS has made to keep City-owned buildings safe for the public and for City employees.

Now, therefore, be it resolved by the City Council of Baltimore, That the City Council requests the Department of General Services provide the City Council with an update on how employees of DGS have been keeping City-owned buildings clean during the COVID-19 pandemic and post information about cleaning schedules in those buildings.

And be it further resolved, That a copy of this Resolution be sent to the Mayor, the Director of the Department of General Services, and the Mayor’s Legislative Liaison to the City Council.
