Recitals

Whereas, Baltimore City faces a housing crisis related to the devastating impact of COVID-19;

Whereas, this housing crisis has had and will continue to have a disparate impact on the City’s Black and Latinx families who have served as “essential workers” during the pandemic and who, as a result, have higher rates of COVID-19 infection and mortality, and who have also been more likely to be laid off in the service sector economy and thereby face uncertainty when it comes time to pay rent;

Whereas, keeping families in their housing serves a critical public health purpose both during the current pandemic and after; and

Whereas, a refusal to offer lease renewal without good cause further undermines the housing security of Baltimore residents and the public health.

Section 1. Be it ordained by the Mayor and City Council of Baltimore, That the Laws of Baltimore City read as follows:
